

I would like to express my support of the K-LOVE radio station, 91.1 in the Denver area. As a resident of the local community, K-LOVE is a great source of encouragement and enjoyment for me throughout each day as I drive around town. It's not very often that a wholesome program is available without commercial interruption through any medium, so K-LOVE being replaced by an LPFM broadcaster providing other programming would, in my mind, be a travesty. I believe that the service provided by K-LOVE is in the public interest in that it provides a place of refuge, encouragement and hope for a community that is largely in need of such benefits. Thank you in advance for your consideration in this matter.
